

Do you want to save the oceans?
Join Max, Mindy, and Octa in

Ocean Keeper Club

What is Ocean Keeper Club?

“Ocean Keeper Club is a club dedicated for kids to learn about the beauty of the sea and the diversity of marine animals that live in it, to learn what challenges the oceans are facing. Ocean Keeper Club members will participate in interactive and interesting learning sessions to get closer to the oceans, to learn how to care for the oceans and our planet.”

How can you support?

- 1 Ocean Keeper Club runs for one year and has 12 sessions.
- 2 There are 5 school partners and each school will send 12 students monthly.
- 3 Each contribution price for a student is IDR 50,000.
- 4 Sponsorship can be allocated for one kid or for one period of Ocean Keepers Club.

What are the benefits for Donor?

-  Supporting the Ocean Keeper Club can increase your work visibility within our network and among the communities we serve. This exposure can lead to new opportunities and connections.
-  Supporting our program demonstrates a shared commitment to saving the oceans and strengthens our collective impact.
-  Your support encourages a culture of collaboration, leading to a stronger, more interconnected community.
-  Preparing the students for the future to come, to encourage them in supporting life underwater, and to inspire them in taking actions to save the oceans and the life it holds.
